Please plan to join us for the 2026 NTA Reunion

The 81st National Threshers reunion will take place June 25 - 28, 2026. We look forward to seeing you there!

Click here for the Show Program/Schedule of Events.

Each year the NTA displays dozens of steam engines, as well as hundreds of gas tractors and gas engines. Daily demonstrations include threshing, sawmill, shingle mill, veneer mill, plowing, and machinery parades with covered grandstand seating for spectators.

Other highlights include antique tractor and steam engine pulling displays, operator skills contests, evening spark shows, prony brake horsepower testing, Baker fans, power eater and much more. Model air-powered engine displays are also featured, along with photos and memorabilia dating back to the reunion's first show in 1945.

Please note: Activities are limited on Sunday.

POWERED BY

Thank you for your cooperation in the campgrounds:

PER THE WAUSEON FIRE CHIEF: All campers MUST be parked with tongues facing the road (perpendicular to all roads). No "circling the wagons" will be tolerated. Violators will be towed at owners expense.

Camping rates for the 2026 Reunion will remain $175 for Monday - Sunday or $30/night for campers arriving Tuesday or later.

Camp with Us!

There's no need to miss any sights and sounds of the NTA reunion if you stay the week with us. The Fulton County Fairgrounds has over 400 camping sites offering grassy level accommodations (some shaded), 30 or 50 amp electrical service, potable water and a modern dump station. Amenities include modern bathrooms (with family bathroom) and showers. Camping is open to show attendees and exhibitors on a first come - first served basis. The rate for Monday through Sunday during the week of the show is only $175, while campers arriving Tuesday or later pay $30 per day. Anyone 12 years of age and older, staying on the grounds, must have a membership ($20). Children under 12 are free. Single-day admission is $5 per day, charged at the gate.

Important Camping & Parking Note: Each paid campsite will receive two vehicle passes. No vehicle will be allowed into the grounds without a vehicle pass after the show begins on Thursday. Additional vehicles must be parked in the daily parking areas outside of the fairgrounds fence. Exhibitors and workers...be sure to pick up your vehicle pass at the Secretary's office prior to Thursday.

Flea Market

An extensive flea market features tractor and steam engine parts, authentic and reproduction manuals, antique and new tools, collectibles, signs, decals, and a wide variety of other items. After shopping, please visit one of the several, unique food vendors also on the midway!

For more information or to register as a vendor, please contact Cindy Windisch at cindyconcession@yahoo.com.

Planning To Bring a Golf Cart of Other Personal Mobility Vehicle to the Show? Be sure to check out our Revised Regulations. Registration is $20 per golf cart of personal vehicle.
